EVOLUTION STARCH OFF ULTRA

YOUR CORRUGATORS ARE ALWAYS CLEAN. A COMPLETE INTERNAL AND EXTERNAL SOLUTION FOR YOUR PLANT

# Evolution STARCH OFF ULTRA

If we could give you 30 minutes more production each day...

**Evolution Starch Off Ultra gives you more:**

- Supports in-house continuous improvement programs
- Opportunity for extra available production time (more board)
- Cleaner applicator (removes unseen starch build up)
- Improved start up for the following shift
- Improved starch application
- Reduces paper breakages (less waste, increased up time)
- Reduces water usage
- Reduces waste water treatment
- Reduces water damage in bearings and protects air bags
- Reduces the use of damaging products (caustic and chlorine)
- Operators love it – less scrapping and repetitive motion
- You can clean your starch kitchen and delivery lines

**EVOLUTION STARCH OFF ULTRA is optimised, unique, simple, safe and effective**
